Arialink Announces Availability of Wireless Internet Access at Local Restaurants

Lansing, Mich.— Lansing based Arialink announced today that area restaurants Beggars Banquet, The Nuthouse Grill and Harrison Roadhouse will provide high-speed wireless Internet access to their customers for free. Customers can bring their Wi-Fi enable device into any of the restaurants and connect to the Internet. These restaurants have purchased Arialink’s service of a managed hotspot that includes a custom log-in page and usage data information.

Technical assistance and support is available through Arialink’s 24-hour customer support line for users that have questions regarding the free service the restaurants are providing.

“Beggars Banquet, The Nuthouse Grill and Harrison Roadhouse all have a reputation for providing customers with an enjoyable atmosphere---the addition of free wireless Internet service makes these restaurants even more desirable and enjoyable,” said Lisa Paszkiewicz, Arialink Account Representative.

Arialink Broadband is a leading provider in connectivity for residential, businesses, institutions and multi-family communities. For more information on Arialink Broadband, please visit www.ariaink.com or call (517) 492-1350.
