## **Arialink Broadband Announces Sponsorship of 2005 Common Ground Festival**

**Lansing, Mich.-** Arialink Broadband will provide wireless internet as part of a sponsorship for the Common Ground Festival, a 7-day event that includes concerts and entertainment from performers such as Journey, Whitesnake and The Beach Boys.

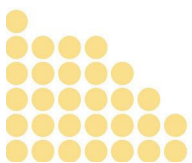

Festival attendees will be able to have wireless service, including Wi-Fi access. The wireless service will also assist festival production crews and the communication center. Wi-Fi hotspot signs will be located throughout the festival grounds during the festival, July 11-17.

“Wireless connectivity plays an important business role for the festival,” said Eric Hart, CEO & President of the Lansing Entertainment & Public Facilities Authority, which co-produces the event. “Behind the scenes, the festival business satellite office is able to function more efficiently now that we have Arialink as a partner.”

Since 2000, the Common Ground Festival has brought musical talent and family fun to the Lansing area. Tickets can be purchased online at [www.commongroundfest.com](http://www.commongroundfest.com) or by calling (800) 585-3737.

Arialink Broadband is a leading provider in connectivity for business and institutions. For more information on Arialink, please visit [www.aerialink.com](http://www.aerialink.com).
