### **Arialink Broadband Selected for East Lansing Technology Connection, Cool Cities Project**

**Lansing, Mich.-**The City of East Lansing has selected Arialink Broadband to provide Wi-Fi service to downtown East Lansing locations as part of the Cool Cities Neighborhoods in Progress, a program Governor Granholm developed to help revitalize Michigan's cities.

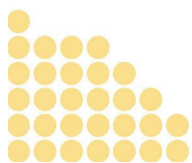

The program provides cities with a state funded grant for projects to retain and attract jobs and people to Cool Cities locations. Cities that were selected include Ann Arbor, Battle Creek, Detroit, East Lansing, Lansing, Grand Rapids, Holland, Kalamazoo and Traverse City.

Arialink was selected to work with the City of East Lansing's project, Downtown East Lansing Pedestrian/Technology Connection and will deploy a wireless network in East Lansing with three locations designated as free hotspots. Currently, the three locations are Valley Court Park, Ledebuhr Plaza and Bailey Plaza.

"Arialink's technology enables communities like East Lansing to rapidly achieve their municipal broadband objectives. We're proud to provide the community with wireless access and assist in Governor Granholm's vision to attract and retain creative young people to Cool Cities like East Lansing," said Jason Schreiber, President of Arialink Broadband.

Arialink Broadband is a leading provider in connectivity for businesses and institutions. For more information on Arialink, please visit [www.aerialink.com](http://www.aerialink.com).
